THE WORLD HAS HAD enough...
OF HUNGER, INJUSTICE, WAR.
IN ANSWER TO OUR CALL FOR HELP.
AS WORLD TEACHER FOR ALL HUMANITY
THE CHRIST IS NOW HERE.
HOW WILL WE RECOGNIZE HIM?
Look for a modern man concerned with modern problems—political, economic, and social. Since July, 1977, the Christ has been emerging as a spokesman for a group of men brought together in a common purpose by the Christ himself. He is not a religious leader, but an educator in the broadest sense of the word—pointing the way out of our present crisis.

WHO IS THE CHRIST?
Throughout history, humanity's evolution has been guided by a group of enlightened men, the Masters of Wisdom. They have remained largely in the remote desert and mountain places of the earth, working secretly through their disciples and for nearly in the open. The message of the Christ's reappearance has been given primarily by such disciples.

As the center of this 'human family,' inside the Christ Teachers, Lord Maitreya (known by Christians as the Christ) is the one who now teaches the Christ's message. He is the head of the Christ Teachers, and he guides, and figures. These are all names for one individual.

WHAT IS HE SAYING?
"My task will be to show you how to live together peacefully as brothers. This is simpler than you image. My friends, for it requires only the acceptance of sharing."

"How can you be content with the modes within which you now live: when millions starve and die in squalor: when the rich parade their wealth before the poor: when each man is his neighbor's enemy: when no man trusts his brother?"

"Allow me to show you the way forward into a simpler life where no man lacks: where no two days are alike: where the Joy of Brotherhood manifests through all men."

"Take your brother's need as the measure for your action and solve the problems of the world."

WHEN WILL WE SEE HIM?
He has not as yet declared His true status, and His location is known to only a very few disciples. One of these has announced that soon the Christ will acknowledge His identity and within the next two months will speak to humanity through a worldwide television and radio broadcast. His message will be heard inwardly, telepathically, by all people in their own language.

From that time, with His help, we will build a new world.

WITHOUT LOVE THERE CAN BE NO JUSTICE.
WITHOUT LOVE THERE CAN BE NO PEACE.
WITHOUT LOVE THERE CAN BE NO FUTURE.
